

## Vacation Reminder From Your Police Department

The Township Police Department provides vacation house checks to our residents. To request a vacation house check of your property while you are away, just call the Department at 697-0607. Please keep in mind it is always wise to have a friend or neighbor checking on your property also.

## Community Events

The Parks and Recreation Department is offering a BBQ & Bluegrass Event, National Public Lands Day Volunteer Effort, Willow Mill Fall Festival and Holiday Tree Lighting with Sleigh Rides. For details on participating, sponsoring or attending one of these events, see the Parks and Recreation section of this newsletter.

## Committee Opening

Silver Spring Township is seeking a volunteer to serve on the Planning Commission Board. In order to be considered, please send a letter of interest to Sam Monticello, Township Manager (sdmonticello@silverspringtnw-pa.gov, 766-0178).

## Storm Sewers

If you look in the street outside of your home or office and search the parking lots around town, you will probably find storm sewer inlets. Did you ever wonder where they go? A common misconception about storm sewers is that they go to a wastewater treatment plant. This is not the case. Storm sewers transport stormwater (rain and melting snow) to the nearest river, lake, stream or wetland. Stormwater often contains materials found on streets and parking lots such as oil, antifreeze, gasoline, soil, litter, pet wastes, fertilizers, pesticides, leaves and grass clippings. When these materials enter lakes and streams, they become pollutants that pollute the water, kill fish and close beaches. Follow the simple clean-water tips below and become part of the solution to water quality problems.

According to federal regulations, many cities and industries must reduce water pollution from storm sewers. We can help by taking steps around the home to increase the amount of water that soaks into the ground. This reduces the amount of water flowing into the street. Here's what you can do:

- Redirect down spouts from paved areas to vegetated areas.
- Install gravel trenches along driveways or patios.
- Use porous materials such as wooden planks or bricks for walkways and patios.
- If building a new home, have the driveway and walkways graded so water flows onto lawn areas.
- Use a rain barrel to catch and store water for gardens.
- Wash your car on the lawn, not the driveway, or take your car to a commercial car wash.
- Plant trees, shrubs or ground covers.

For more information about stormwater pollution and what you can do to reduce it, contact the Department of Natural Resources or your county UW-Extension or Land Conservation office.

## PARK NEWS

### THE RECREATION OFFICE IS **MOVING...**

The Parks and Recreation Department will be relocating their office in the fall to 5 Willow Mill Park Road. Please check our website for more details on when the move will occur and what to expect. Thank you for your patience as we make this transition.

### INTERNSHIP OPPORTUNITY (Fall Semester)

To apply for an internship with the Parks and Recreation Department from August to December of 2011, please submit your interest to the Assistant Director at [kaowens@silverspringtw-pa.gov](mailto:kaowens@silverspringtw-pa.gov) or call 717.766.0178 (ext. 304 or 305). This position requires up to 40 hours/week. This person will work directly under the supervision of the Assistant Director.

### CANOE, KAYAK AND TUBE

See places and natural landscapes you'd otherwise never get a chance to see. Escape from the hustle, bustle and stress of our fast-paced, technology-driven society and canoe, kayak or tube on the Conodoguinet Creek. Two launches exist at Willow Mill Park; next to the Huston Mill just over the bank and inside the park on the far end. Another point of take-out and entry exists at Hidden Creek Park; near a small set of stairs at the far end of the park. Plans to construct a canoe launch at Hidden Creek Park are in the works.

### WALKING YOUR DOG IN THE PARK

As a reminder, dogs are only permitted at Pleasant View Park and Willow Mill Park. Please make sure you clean-up after your dog. Doggie waste bags are available on-site.

### PARK VANDALISM

There have been numerous reports regarding park vandalism at several of our parks. If you find any unusual activity or vandalism to the park facilities, please **CALL THE POLICE** immediately at **717-238-9676** (non-emergency).

## ***Memorial Field - building a legacy one brick at a time.***

Silver Spring Youth Baseball Association (SSYBA) has been in existence for over 57 years at various sites throughout the Township and is the only youth sports organization dedicated to Silver Spring Township residents. Starting in 2004 a Long-Range Planning Committee was formed by SSYBA to lead an effort to consolidate the program and recruit business sponsors with a common goal of developing our recreation resources at Stony Ridge Park (off of Bernheisel Bridge Road). Stony Ridge ball field construction is underway and the completion of a building structure to house equipment and broadcast games would complete the vision and allow SSYBA's program to excel and continue the tradition of teaching sportsmanship, character and baseball skills to our future youth. Please support the building project by purchasing a family or business brick or by making a cash donation.

## In the Works

Silver Spring Township issued the highest number of residential building permits, 173 permits, in Cumberland County during 2010, representing 20% of the total number of permits issued by 33 townships and boroughs. The next highest township, Hampden, issued 123 permits. Additionally, the Township was the second highest in the number of planned residential units approved during 2010.

Phase 3 of Millfording Highlands was approved, providing 20 single family home lots on an 11.22 acre parcel. The entire development located on Balfour Drive at Sample Bridge Road, offers 123 single family homes on a total of 80 acres.

A new subdivision plan was submitted for a property on the south side of Mulberry Drive, directly across from Foxwood Blvd. The plan proposes 7 single family lots on a 7.05 acre parcel.

A land development plan for the Kollas Self Storage Facility is under review. The property is located on the Carlisle Pike at Appalachian Drive and proposes 7 buildings containing 59,150 square feet of storage space.

## We Are Moving!

Silver Spring Township is moving to their new locations in the near future. The buildings are located at 5 Willow Mill Park Road and 8 Flowers Drive. Police, Recreation and Sewer Authority will be in the Willow Mill Park building. Administration, Codes, Zoning, Planning and the Meeting Room will be in the Flowers Drive building. Watch for signs on our door and website for more information.

## Thank You

The Mechanicsburg Sportsmen's Club is located in Silver Spring Township on the mountain along Sample Bridge Road close to Millers Gap. The Club has given our police officers the use of their facilities through out the year with permission to use their ranges any time. In the spring and fall of each year, the Club allows us to use their ranges for the Police Department's firearms qualifications. This donation saves the taxpayers in the Township a large sum of money. If not for this very generous donation, our officers would have to travel to HACC for qualifications and the township would be paying for the facilities in order to maintain a full staffed force.

thank  
you!

## Help Your Community And Have Fun Doing It!

The Township Business Advisory Council will host the Second Annual Business Person's Open on July 22, 2011 at the Rich Valley Golf Course. The Open will benefit the Township's Volunteer Fire and Ambulance Companies.

The fire and ambulance companies in Silver Spring Township are staffed by volunteers. Although they receive some funding from Silver Spring Township, they still must rely on many hours of fund raising to make ends meet.

The Business Person's Open is predicted to be a great day of food, fun, prizes and golf, plus it is a great opportunity to meet and network with other Silver Spring Township businesses. Two Hole-In-One opportunities to win cars will be

sponsored by Bobby Rahal Automotive, and Lawrence Chevrolet. Both Lawrence and Rahal have been extremely supportive of various Township programs.

The BAC encourages you to show your support for the selfless volunteers of our emergency services. Sponsorship opportunities are available to any business in, or doing business in, Silver Spring Township. Golfers are needed too!

Email Ted Ansel at Silver Spring Golf Course with any questions regarding the golf outing at: [fun@silverspringgolfcourse.com](mailto:fun@silverspringgolfcourse.com). Applications for both sponsors and golfers are available under Latest News on the Township website: [www.silverspringtpw-pa.gov/](http://www.silverspringtpw-pa.gov/)

## Who Are We, What We Do

The Zoning Hearing Board (ZHB) has the exclusive jurisdiction to hear and render decisions on variance requests, special exceptions and appeals to the interpretation of the Zoning Ordinance. They meet the second Monday of the month at 6:00 pm in the Township meeting room. The Board liaison is Mary Lou Pierce-McLain and the Township representative is Dan Rosario.

## Emergency Reflective Striping On Silver Spring Ambulances.

Have you noticed the bright red highly reflective striping now on the full back side of all Silver Spring Ambulances? The full back sides of all Silver Spring ambulances are now safety red brightly reflective striped to give you and other motorists early visibility of the ambulance, which may be stopped or moving slowly along the street or highway. At night your headlights will brightly illuminate the Ambulance and enable you to see and avoid an accident.

This safety measure is intended to prevent accidents, and to prevent emergency responders and other people on the roadway at emergency scenes from being struck and injured by vehicles unable to stop quickly enough. This is especially important when providing emergency care on higher speed roads such as Rt. 114, Carlisle Pike, Interstate 81 and the Pennsylvania Turnpike.

Please prevent accidents and injuries at emergency scenes by driving defensively, being observant, not following too closely, and by slowing down well before coming to the emergency vehicles and personnel.

This safety striping will help you avoid an accident.

Safety is in everyone's best interest.

## Mechanicsburg Sportsmen's Association Membership Appreciation & Community Day Open House

Come join us on September 17, 2011 from 10:00 am to 4:00 pm as we open our grounds to visitors and members from the Silver Springs Community. Seminars will be presented throughout the day (limit 50), a trout fishing pond for youngsters ages 3-6, tours of the many indoor and outdoor ranges such as rim fire and center fire, archery, shotgun pattering, 4-station trap field, fishing pond, and propagation-habitat projects that are located at our facility.

Learn of our many youth programs that are available. Visit our multiple Boy Scouts Of America Eagle Scout Projects sponsored by MSA. You can visit our web site at [www.mas-pa.org](http://www.mas-pa.org) for a list of the seminars and how to register, directions to the club, and additional information. Light refreshments, raffles and prizes will be available. Event Director Sharon Gregg @ 717-691-7930.

The Recreation Advisory Council presented a check to the Veteran's Memorial Committee for \$1,000. The proceeds were from the SST Irish Jig Jog 5K race. Pictured (left to right): Deb Snyder, Kurt Minnich, Scott Pepperman, Dick Norrie, Carl Marrara and Theresa Eberly.

# South Central Alert System

The Cumberland County Commissioners announced the implementation of South Central Alert in Cumberland County. This is an emergency public information notification system. It is part of the South Central Task Force program, which is comprised of Cumberland, Franklin, Dauphin, Adams, Lancaster, Perry, Lebanon and York counties. The system will only be used in emergency situations that threaten public health and safety. Residents and businesses listed in the phone book, in both the white and yellow pages, have already had their listed numbers put into the system.

If you would like to add additional information such as an unlisted, work or cell phone number, as well as an email address, you can do so online at [www.sctfpa.org/sc-alert.php](http://www.sctfpa.org/sc-alert.php) or by calling the Department of Public Safety (717-240-6400). Those who live and work in different counties, can register to receive notices from more than one county. All contact information registered with South Central Alert will only be used for emergencies and will not be given to vendors or outside organizations.

## We Need Your Support

The Silver Spring Township Veterans Memorial Committee has raised about 50% of the needed resources to build the Veterans Memorial. The local community still needs your support to make the Veterans Memorial a success. Several local businesses and citizens have generously donated their time and resources to this worthwhile endeavor. Now we are asking the residents of the Township to help see this dream come true. If each township household would donate \$20 or each resident \$8, the community would have enough funds to pay for the entire project. Please give generously so that those who may not be able to donate could also enjoy this community asset.

Another way to donate to the Memorial would be to purchase a brick or granite plaque in honor of a Veteran of the military.

The memorial will honor all military veterans (past and present) and inspire selfless service through the education of our citizens. The memorial will be a gathering place for events and a quiet point of reflection for citizens who will return often. The sacrifice the community is asking of you pales in comparison to the sacrifices made by the men and women in our nation's Armed Forces. Please take this opportunity to be a part of a lasting tribute to honor all Soldiers, Sailors, Marines, Coast Guardsmen and Airmen. Please send your tax deductible donation to 6475 Carlisle Pike, Mechanicsburg, PA 17050 or call 766-0178 for further information. Visit the veterans memorial website at [www.sstveteransmemorial.com](http://www.sstveteransmemorial.com).

Please donate so that those who cannot afford it may also enjoy it and pay tribute to veterans everywhere.
